Shipping and Delivery

Shipping the Zbee

Green Scooter will keep the customer updated on the preliminary date of shipping and send a notification when a Zbee is ready to be shipped out. Shipping terms of the Zbee are Ex-Works and Free On Board at the discretion of the seller (Scooter).

Shipping products other than the Zbee

Shipping orders other than the Zbee takes three business days after the payment clearance and availability of stock is confirmed, otherwise, the lead time will be provided to the buyer. The operation is on weekdays except on Public Holidays. A preliminary confirmation is always sent after placing an order. Final confirmation is sent after shipping the package with directions on tracking and collecting your package. This can be further discussed with the sales agent or forward shipping company - depending on the terms selected.

All Zbee deliveries will be made with ground travel if not, Ocean Freight. The buyer has the option to select Air Freight as a third option. The customer will be liable to pay for those fees as it is ExWorks, the same applies to Free On Board. The delivery address should match the order address so it can be delivered to the correct address, in the event it is FOB.

Uncollected Items

No refunding of shipping costs for failed collection of items. Storage costs post shipping of the unit/s sold will be the responsibility of the buyer to take care of.

Track your order

Green Scooter is temporarily available to have tracking information automatically emailed for your order. Please email admin@greenscooterza.com for tracking information. Further to that, you may contact your freight forwarding company.

Priority of Zbee delivered

If the Final Payment has been received at the same time as another buyer has paid his or her final payment, the buyer that paid his or her Reservation Fee first is considered first of the two and will be prioritised in the delivery of the Zbee.
